State Situation Report**

Event Name	Tropical System Harvey
Date	September 12, 2017
Time	7 AM
Operational Period	7 AM 09/11/17 – 7 AM 09/12/17
Report Number	21

Regions Affected	
DPS Regions Affected	1, 2, 3 and 6
DDC's Active	4B, 15, 16A, 16B, 16C, 16D, 18B, and 20

STATEWIDE CURRENT SITUATION: Pleasant weather across Texas continues as rivers continue to recede. Dry and relatively cooler weather continues across the area today. Temperatures have been pleasant with highs in the 80s and lows in the 60s across much of the state. While Irma is not directly impacting weather conditions across the state, once the remnants of Irma push eastward later this week, expect high pressure to build over the Southern Plains. This will result in summer-like temperatures.

Governor Abbott has issued a proclamation extending the suspension of laws authorizing or requiring the collection of state or local hotel or motel occupancy taxes from the victims of Hurricane Harvey or personnel participating in relief operations, for a period of 30 days, beginning August 23, 2017, and ending September 22, 2017.

President Trump has amended the Texas Disaster Declaration to make additional disaster assistance available to the State of Texas. This action authorizes 90% Federal cost share for debris removal, and 100% Federal cost share for emergency protective measures for 30 days from the start of the incident period and then a 90% cost share thereafter.

Governor Abbott has issued a proclamation condemning the practice of price gouging, and reminded Texans that such practices are illegal and will be investigated and punished.

Governor Abbott has issued a suspension of specific vehicle titling and registration requirements for the next 45 days in the 58 counties specified in the state's disaster declaration. As a consequence, vehicle titling and registration expirations are suspended in order to relieve that burden upon Texans. Law enforcement will not issue citations for expired registration in all affected counties until October 16, 2017.

Governor Abbott has issued a proclamation to allow the Port Aransas Independent School District Board of Trustees to conduct a telephone meeting within a reasonable distance of the district.

Governor Abbott issued a disaster declaration for the counties of: Angelina, Atascosa, Aransas, Austin, Bastrop, Bee, Bexar, Brazos, Burleson, Caldwell, Cameron, Calhoun, Chambers, Colorado, Comal, Brazoria, DeWitt, Fayette, Fort Bend, Galveston, Goliad, Gonzalez, Grimes,

Guadalupe, Hardin, Harris, Jackson, Jasper, Jefferson, Jim Wells, Karnes, Kerr, Kleberg, Lavaca, Lee, Leon, Liberty, Live Oak, Madison, Matagorda, Montgomery, Newton, Nueces, Orange, Refugio, San Patricio, Polk, Sabine, San Jacinto, Tyler, Trinity, Victoria, Walker, Waller, Washington, Wharton, Willacy and Wilson.

Governor Abbott requested and was approved for a Presidential Disaster Declaration for the following counties: Aransas, Austin, Bastrop, Bee, Brazoria, Calhoun, Chambers, Colorado, DeWitt, Fayette, Fort Bend, Galveston, Goliad, Gonzales, Hardin, Harris, Jackson, Jasper, Jefferson, Karnes, Kleberg, Lavaca, Lee, Liberty, Matagorda, Montgomery, Newton, Nueces, Orange, Polk, Refugio, Sabine, San Jacinto, San Patricio, Tyler, Victoria, Walker, Waller and Wharton counties for Individual Assistance and assistance with debris removal and emergency protective measures (Categories A and B), including direct federal assistance, under the Public Assistance program.

Bexar, Dallas, Tarrant and Travis counties are eligible for emergency protective measures (Category B), including direct federal assistance, under the Public Assistance program.

Public Assistance (Categories C-G) including Direct Federal Assistance have been added to FEMA-4332-DR-TX for Aransas, Brazoria, Calhoun, Chambers, Colorado, Fayette, Fort Bend, Galveston, Goliad, Hardin, Harris, Jackson, Jasper, Jefferson, Liberty, Matagorda, Montgomery, Newton, Nueces, Orange, Polk, San Jacinto, Tyler, Victoria, Walker, Waller and Wharton Counties.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

ETN facilities report 35 pet friendly facilities and 718 animals currently accounted for. TAHC is decreasing staffing as needed on the ground to address ongoing needs. Three of the existing Animal Supply Points have been turned over to local jurisdictions. Hay missions have been discontinued.

The AROCC has decreased activation from full operations to virtual operations and continues to coordinate animal issue response across the state. AROCC demobilized as of September 11, 2017.

Texas Alcoholic Beverage Commission (TABC): Continues to assist the Houston PD and the Harris County Constable Precinct One Office at the NRG Center in Houston. Providing Certified Peace Officers that are tasked with maintaining the safety and security of evacuees sheltered at the NRG Center.

Texas Workforce Commission (TWC): TWC is accepting applications for Disaster Unemployment Assistance (DUA) in all 39 counties under FEMA's disaster declaration. Cumulative; TWC has processed 94,737 disaster-related unemployment insurance claims.

TWC has created a Harvey Resources webpage for employer and job seeker workforce information and resources: <http://www.twc.state.tx.us/hurricane-harvey-resources>

Texas Department of Insurance (TDI): Insurance mobile claims units are in Beaumont, Conroe, Corpus Christi, Cypress, Houston, Humble, Katy, League City, Port Aransas, Refugio, Rockport, San Antonio, Spring, Stafford, The Woodlands, and Victoria to help Texas policyholders with claims. TDI staff are in Corpus Christi, Houston, and Port Lavaca to help consumers with insurance questions and claims, and to support local law enforcement in their efforts to deter fraud.

Texas A&M Forest Service (TFS): TFS has 544 responders, including Texas Type 3 All Hazard Incident Management Team (IMT) members, the Lone Star State IMT, Virginia Department of Emergency Management Type 3 IMT, Arizona Type 3 IMT, New York State Department of Emergency Management Type 3 IMT and Southern Area Type 2 IMT. The teams are positioned throughout Texas to help in hurricane response.

The Texas Intrastate Fire Mutual Aid System (TIFMAS) provides local fire trucks and firefighters to support state emergency response operations. The program, run through the TFS, has mobilized 240 firefighters with two boats and 53 fire engines from across the state. Response locations include the Counties of Hardin, Harris and Orange and the Cities of Aransas Pass, Beaumont, Galveston, Port Arthur and Rockport. Regional Staging Areas are located in Beaumont, Beeville and Bryan-College Station. Support locations have been set up along the Texas Gulf Coast in an effort to provide assistance in coordinating response efforts of local disaster districts and EOCs. Support locations include the Counties of, Hardin, Jasper, and Newton and the Cities of Austin, Beaumont, College Station, Corpus Christi, Lufkin, Nacogdoches, Richmond and Rockport. TIFMAS resources have been mobilized to generate strike teams to support firefighting operations.

Texas A&M AgriLife Extension: Personnel continue to support daily operations coordination calls with TDEM, Rebuild Texas supporting local officials through communications and recovery actions. AgriLife Extension resources committed include 78 Extension Agents across the impacted counties to address public information and education; six CEA Strike Teams comprised of 28 personnel perform volunteer and donations management at Animal Supply Points; 12 extension specialists/SMEs address water well testing, public information and resource coordination; 16 personnel on and off campus who support activation at Extension Headquarters Operations Center, DPS Disaster Districts, TAHC Animal Response Center and at the TDEM State Operations Center.

AgriLife Communications department, Extension Agents, and Specialists continue to support DPS TDEM, TAHC and DSHS to disseminate disaster and recovery related public information via television, radio, web, and social media with news placement and coverage across the United States and internationally.

Texas Commission on Environmental Quality (TCEQ): TCEQ and agency partners of the Natural Disaster Operational Workgroup (NDOW) are conducting orphan container recovery, drinking water and waste water on-site assessments, hazard evaluations, and oil discharge assessments. There are 468 TCEQ staff working in response to Hurricane Harvey. TCEQ has started contacting EMC's about Debris Management. As of September 10, 2017, there are currently 136 public water systems (PWS) with boil water notices, 145 PWS that have rescinded BWN, and 35 PWS and 35 wastewater treatment (WW) plant are currently inoperable. TCEQ continues to receive and review temporary debris management sites for authorizations. Currently, TCEQ has received 131 applications and have approved 122 sites. TCEQ has placed regulatory guidance along with PDW and Wastewater operational status on the TCEQ Webpage located at <http://www.tceq.texas.gov/response/hurricanes>. TCEQ has hired a contractor to conduct aerial surveys in the Houston-Galveston-Brazoria area.

Texas Department of Criminal Justice (TDCJ): A total of 14 law enforcement personnel have been deployed to San Patricio County to assist in conducting law enforcement patrol operations and site security as needed. The TDCJ OIG currently has 14 law enforcement personnel in the Huntsville area that can respond to any needs.

Texas Department of Public Safety (DPS): Currently has 601 personnel with one helicopter and one airplane active. Duties continue at the George R. Brown Convention Center in Houston. Texas Highway Patrol (THP) Commercial Vehicle Enforcement (CVE) personnel conducted bus inspections in Fort Worth which permitted the repopulation and reentry process for affected jurisdictions. THP is also providing general security in all affected areas in order to prevent and detect looting and other crimes. Security is provided to the US Army Corps of Engineers personnel for Addicks and Barker reservoirs, in order to conduct crowd control and restrict

access. DPS continues to provide general security at FEMA sites in various counties as needed. THP and Criminal Investigations Division (CID) continue to assist with providing security at food POD's throughout the affected areas. DPS is demobilizing outside personnel as local agency needs diminish. Texas Division of Emergency Management's State and District Coordinators throughout the state have been deployed to different jurisdictions for mission support.

Texas Department of State Health Services (DSHS): Over 988 missions have been completed resulting in 3,200 medical patients evacuated or transferred. Texas has received 30,300 doses of Tdap and 3,700 doses of influenza vaccine to be distributed to first responders and the public. DSHS is awaiting an additional 3,800 doses of Tdap from the CDC and FEMA. SMOC is maintaining daytime operations only, but will continue to staff the SOC as needed.

Three hospitals/healthcare facilities remain closed in the Houston and Corpus Christi areas. A vector control cell was established in the SMOC to develop a comprehensive plan to achieve vector control of targeted areas. In the Coastal Bend area, mosquito control flights by Texas' environmental services contractor, treated approximately 366,000 acres in Jackson and DeWitt counties. Crews plan to continue to spray over DeWitt and Lavaca counties, time and conditions permitting.

Along the upper Texas coast, Texas is receiving support from the U.S. Air Force Reserve's 910th Airlift Wing flying modified C-130 cargo planes staged out of Kelly Air Force Base in San Antonio covering approximately 197,000 acres over Jefferson, Orange and Chambers Counties. Flights over Brazoria County could begin as early as Tuesday September 12th.

Texas Health and Human Services (HHSC): HHSC Emergency Services Program (ESP) is supporting the points of distribution (POD) working group for water and ice commodities deliveries. HHSC Disaster Assistance hotline hours are currently 7:00 am to 7:00 pm, 7 days a week. Emergency Services is hiring 200 staff to process individual Assistance Disaster Grants. All HHSC agencies and the Department of Family and Protective Services (DFPS) are working with external and federal partners to evaluate policy, procedure and waiver coordination to support impacted areas and clients served.

HHS Regulatory Division: Coordinating communication with evacuated and impacted Licensed Long Term Care facilities.

Department of Family Protective Services: Coordinating communication with evacuated and impacted regulated facilities and conservatorship families.

2-1-1: Continuing to monitor call metrics of all 2-1-1 statewide call centers to revise staffing adjustments to support increased call volume. Call centers are providing recovery messaging and providing rumor control support. Call volume shows calls offered 1,981 calls on September 10, 2017 for a total of 295,574 calls since August 25, 2017.

Texas Department of Transportation (TxDOT): TxDOT crews continue to repair signs, signals, perform debris removal and making repairs to roadways and roadsides in the Corpus Christi, Yoakum, Houston, and Beaumont Districts. Austin Division EOC scaled down to day shift operations. Waco district will leave equipment in the Bryan staging area until the water in Beaumont recedes. Bridge assessment teams are deployed and inspecting bridges across the affected area.

TxDOT is reporting dirt/debris and/or water over the roadways in: Brazoria, Harris, Jefferson and Orange counties. Travel is discouraged.

TxDOT is reporting roads closed due to flooding or severe damage in: Austin, Bastrop, Chambers, Fort Bend, Harris, Jasper, Jefferson, Liberty, Shelby, Washington and Wharton counties.

www.Drivetexas.org is being continuously updated as road conditions change.

Texas Military Department (TMD): TMD currently has seven PODs, five shelters with 26 shelter teams, and ETNs are currently operating throughout the state, focused in Districts 14, 15, 16, and 20.

TMD and other state partners are actively providing defense support to civil authorities through commodity distribution, shelter operations, and assistance of local law enforcement.

Active duty component assets are being released as they complete their mission assignments. TMD continues to focus on commodity distribution, POD support, and shelter operations, while maintaining aviation, shelter, general support operations, primarily in DDCs 14, 15, 16, and 20.

Texas Parks and Wildlife Department (TPWD): Texas Game Wardens and State Park Police Officers are continuing response by answering calls for service and continuing security patrols in affected areas. Tasking of these activities is being filled by locally-stationed officers who are working closely with local officials to determine needs. Focus remains strongest in DDCs 14, 15, and 16; specifically in Brazoria and Newton Counties. Officers in the Port Aransas and Rockport areas continue with welfare checks and security patrols.

Response efforts to date have resulted in the combined rescue of 11,212 persons. TPWD is currently housing 224 evacuees in your Texas State Parks. Locally assigned State Park Police Officers are being tasked with evacuee management as needed.

Office of Attorney General (OAG): A total of 3,285 complaints have been logged into the Complaint Gathering System as of September 7, 2017.

Civil Air Patrol (CAP): Civil Air Patrol flew 33 aerial photography missions in the Houston, Beaumont and Rockport areas and four communication relay mission. Approximately 30,000 photos taken.

The Salvation Army (TSA): Area Command has transitioned to the Arlington Emergency Disaster Services (EDS) warehouse in Dallas. Five incident command teams are in Beaumont, Corpus Christi, Dallas, Houston and Victoria. There are 11 local response units in Abilene, Bryan College Station, Freeport, Galveston, Orange, New Braunfels, San Antonio, Temple, Waco and Wharton. A total of 77 mobile feeding units supporting shelter operations, first responders, and communities in 25 counties. Two field kitchens are deployed in Houston and Beaumont.

FINAL COMMENTS: The State Operations Center (SOC) is at Level III (Increased Readiness Conditions) as of 8:00 AM on September 12, 2017. The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)
